Missed / Late Cancellation Appointment Fees

63 South Street, Lancing, West Sussex, BN15 8AP

01903 752228

It is our aim to provide the best dental care to our patients and to use clinical time effectively.

Due to the increase in dental and hygiene appointments being missed and cancelled at short notice, the Practice has had to review its missed appointment and cancellation charges.

Although we appreciate that circumstances can occasionally change at short notice, the number of appointments that are not being attended have risen, and as such, have resulted in a significant amount of clinical time being lost. These appointments are then not able to be offered to other patients in need and due to the increase in Practice running costs we are unable to absorb the cost of these non-attended appointments. We have tried to be fair and have reduced the number of days patients are required to give notice and the amount charged for a <24 hours appointment cancellation.

Therefore, the following charges now apply from 1 April 2023 for **all missed or late cancellation** appointments (including those not attended due to illness).

Dental missed or late cancellation appointment charges (for up to a 20-minute appointment)

- More than 2 business days' notice no charge
- Less than 2 business days' notice £25.00
- Failure to attend £45.00
- For certain treatments and longer appointments, charges will be higher and non-refundable deposits may be required.

Note: the charge(s) needs to be paid within 7 days of the appointment date before another appointment can be booked

Hygiene missed or late cancellation appointment charges

- More than 2 business days' notice no charge
- Less than 2 business days' notice standard session £25.00 / double session £50.00
- Failure to attend standard session £45.00 / double session £90.00

Note: the charge(s) needs to be paid within 7 days of the appointment date before another appointment can be booked
